

*The Rotary Prayer*

*Let us pray*

*Eternal spirit, from whom we come,  
to whom we belong  
and in whose presence is our peace and joy;  
grant us now such spiritual triumph  
in the member of our Rotarian, -----,  
in whose character and service we rejoice.*

*We thank you for the Club  
and the opportunities it gave -----  
to serve for the common good.*

*We are grateful for the friends made,  
the fellowship enjoyed,  
the accomplishments for the happiness of others;*

*we acknowledge the sincere and active part -----  
has played in the enjoyment of those benefits.*

*In Rotary's ideal of 'Service Above Self', we commit ourselves  
anew, to:*

*'Truth in word and deed;  
fairness to all concerned;  
goodwill and better friendships;  
beneficial to all concerned.'*

*And pray for humility in your power,  
strength in our weakness,  
dignity in service,  
guidance in our movements,  
and your blessing in our planning's.*

*For your love's sake, Amen.*
