We had a great talk on men's health last week with prostate cancer being the main topic as we heard its one of the biggest killers of men. We were told of the importance of getting regular testing as early detection is the key to curing prostate cancer.

This week please welcome the RYLA participants who were sponsored by our club last year. They will let us know what they got from the program.

Next weeks regular meeting has been 'moved' to the Rotary Club of Greensborough's Business Breakfast. It is being held at the Old England Hotel in Heidelberg on Tuesday 14th June. It commences at 7.00am. Mark Knight from the Herald Sun is the guest speaker. So far bookings have been made for 17 but more are welcome, let Em or Greg know if you wish to join in. \$40.00 per head.

## Hope your week went well
