What is the chance for a diagnosis of prostate cancer:

For a man in his 40s - 1 in 1000, For a man in his 50s 12 in 1000, For a man in his 60s - 45 in 1000, For a man in his 70s - 80 in 1000

- Each year in Australia, close to 3,300 men die of prostate cancer - equal to the number of women who die from breast cancer annually. Around 20,000 new cases are diagnosed in Australia every year.
- Each day about 32 men learn news that they have prostate cancer - tragically one man every three hours will lose his battle against this insidious disease
- One in 9 men in Australia will develop prostate cancer in their lifetime
- Prostate cancer is the most common cancer in Australian men and is the second most common cause of cancer deaths in men
- As many men die from prostate cancer as women die from breast cancer but... a national survey by PCFA in 2002 showed that while 78% of women felt well informed about breast cancer - only 52% of men felt informed about prostate cancer
- The chance of developing prostate cancer increases:
 - as men get older.
 - if there is a family history of prostate cancer eg a man with a father or brother diagnosed with prostate cancer

Now that I have your attention !

Please make welcome our guest speaker Lois Rowan

Lois is talking to us about men's health. Lois is from the prostate cancer foundation and this will be a must hear speaker for all our male members and their partners men are notorious at looking after themselves and ignoring warning signs.

President Slim

Rotary Grace

O Lord and giver of all good

We thank you for our daily food

May Rotary friends and Rotary ways,

help us to serve you all our days.

Advance Australia Fair

Australians all let us rejoice,
For we are young and free;
We've golden soil and wealth for toil,
Our home is girt by sea;
Our land abounds in Nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia fair!
In joyful strains then let us sing,
"Advance Australia fair!"

So far 14 want to go !
Are there any more ?

President Clyde opened the meeting calling for reports. No makeups were reported.

Clyde advertised the Eltham Trivia Night for the club this Saturday but there were no takers.

PDG Rob Lloyd informed the club that this Sunday there will be a Rotary Friendship Exchange meeting at the Kilmore Racecourse to discuss details of a friendship exchange with Sweden in November this year. Rob would like the club to consider hosting the Exchange Team for three days.

Chairman Rob Lloyd then introduced John Chaplain who is the SES Emergency Operations Coordinator for the Eastern Region.

John explained that the SES is made up of volunteers who work in conjunction with the CFA, Police, and DHS during emergency events, responding to the phone number 13 2500 in a fifteen minute callout response time. Volunteers are often given time off work by lenient employers in severe and difficult weather events, but usually volunteers will return to work the next day following a call out during the night. Much of the work of the SES is in Community Education and harm mitigation and to this end John handed out Home Emergency Plan brochures.

End of meeting.
